## ABOUT US

CKids is a group of Chabad Centres here in Melbourne who join together to give your child an overnight camp experience of a lifetime. We hope you will join us for a weekend to remember.

## OUR PROGRAM

Our program aims to give our children a positive, fun, exciting but also a Jewish experience. Activities include tree surfing, teambuilding, bonfires, sports, and much much more. From morning till night your child will be having fun with all that we have to offer.

## STAFF

Our staff are warm and caring, they cater to each child's individual needs. All staff have a valid WWCC and go through intense training sessions before and during camp.

## ACCOMMODATION

Our campsite is located at Point Leo which sleeps 56 comfortably. It has plenty of recreational space on site, both indoors and outdoors. Point Leo is the perfect environment for community building and inspiration. The site is also an ideal base for adventure camps and to explore the picturesque Mornington Peninsula.

Both Grand courses offer 5 different levels of challenges, giant Tarzan swing and rock climbing wall. There is also a separate Nippers course for kids under 135cm so no-one needs to miss out!
